Manson's Tropical Diseases, edited by Cook and Zumla (Glew), 2004;19:175
Pain in Infants, Children and Adolescents, 2nd Edition, edited by Schechter et al (Dunbar), 2004;19:60
Pediatric Hospital Medicine by Perkin et al, 2004; 19:299
Principles and Practice of Pediatric Infectious Disease, 2nd edition, edited by Long et al (Pikora), 2004;19:119
Ventilator Management Strategies for Critical Care, edited by Hill (Oliveira), 2004;19:236
Your Questions Answered: Stroke, edited by Hankey (Moonis), 2004;19:175

Brain injury
outcome rating scales for pediatric head injury (Haley et al), 2004;19:205 (Analytic Review)

Braunwald's heart disease
heart failure: a comparison to Braunwald's heart disease (Nobria) 2004;:19;352 (Book Review)

Bullectomy
emergent bullectomy for acute respiratory failure in Ehlers-Danlos Syndrome (Safdar et al), 2004:19:349 (Analytic Review)

Cardiopulmonary resuscitation
vasopressin: applications in clinical practice (Dyke and Tobias), 2004;19:220 (Analytic Review)

Computed tomography
computed tomography evaluation of diverticulitis (Lawrimore and Rhea), 2004;19:194 (Analytic Review)

Congenital heart disease
preliminary experience with nesiritide in the pediatric population (Marshall et al), 2004;19:164 (Case Report)
pulse oximetry in children with congenital hearth disease: effects of cardiopulmonary bypass and cyanosis (Torres et al), 2004;19: 229 (Original Research)
recombinant factor VIIa to control excessive bleeding following surgery for congenital heart disease in pediatric patients (Tobias et al), 2004;19:270 (Original research)

Cortisol
endocrine changes in critical illness (Nylen and Muller), 2004;19:67 (Analytic Review)

Creutzfeldt-Jakob disease
Creutzfeldt-Jakob disease presenting as refractory nonconvulsive status epilepticus (Shapiro et al), 2004;19:345 (Case Report)

Critical care
clinical informatics in critical care (Martich et al), 2004;19:154 (Analytic Review)
critical care aspects of lung transplantation (Lau et al), 2004;19:83 (Analytic Review)
protocol-driven ventilator management in children: Comparison to nonprotocol care (Restrepo et al), 2004;19:274 (Original Research)

Critical illness
endocrine changes in critical illness (Nylen and Muller), 2004;19:67 (Analytic Review)

Diagnostic instruments
the occurrence of posttraumatic stress disorder in patients following intensive care treatment: A cross-sectional study in a random sample (Nickel et al), 2004;19:285 (Original research)

Diverticulitis
computed tomography evaluation of diverticulitis (Lawrimore and Rhea), 2004;19:194 (Analytic Review)

Drotrecogin alfa (activated)
drotrecogin alfa (activated) in an infant with gram-negative septic shock (Sajan et al), 2004;19:51 (Case Report)

Drug abuse
acute respirator failure from abused substances (Wilson and Saukkonen), 2004;19:183 (Analytic Review)

Electronic medical records
clinical informatics in critical care (Martich et al), 2004;19:154 (Analytic Review)

Electronic resources
digital video in the ICU: pulling it all together (Braner), 2004;19:58
personal digital assistants in the intensive care unit (Tegtmeyer), 2004;19:174
personal digital assistants in the intensive care unit revisited: part II (Tegtmeyer) 2004;19:235

telemedicine basic technical considerations (Baker and Wetzel), 2004; 19:297
telemedicine and intensive care: are we ready and willing? (Wetzel), 2004;19:117

Embolization
uterine artery embolization for symptomatic myomata (Worthington-Kirsch and Siskin), 2004;19:13 (Analytic Review)

Fibroids
uterine artery embolization for symptomatic myomata (Worthington-Kirsch and Siskin), 2004;19:13 (Analytic Review)

Heart transplantation
heart transplantation (Poston and Griffith), 2004;19:3 (Analytical Review)

Heliox
patterns on helium-oxygen (heliox) usage in the critical care environment (Berkenbosch et al), 2004:19:335 (Analytic Review)

Hemoptysis
pulmonary artery rupture induced by a pulmonary artery catheter: A case report and review of the literature (Abreu et al), 2004;19:291 (Case report)

Hypotension
vasopressin: applications in clinical practice (Dyke and Tobias), 2004;19:220 (Analytic Review)

Immunosuppressive agents
critical care aspects of lung transplantation (Lau et al), 2004;19:83 (Analytic Review)

Infection
serious infections associated with anticytokine therapies in the rheumatic diseases (Giles and Bathon), 2004;19:320 (Analytic Review)

Intensive care
the occurrence of posttraumatic stress disorder in patients following intensive care treatment: A cross-sectional study in a random sample (Nickel et al), 2004;19:285 (Original research)

Intensive care unit
applications of bispectral index monitoring in the pediatric intensive care unit (Grindstaff and Tobias), 2004;19:111 (Original Research)
blood transfusion policy among European pediatric intensive care physicians (Nahum et al), 2004;19:38 (Original Research)
digital video in the ICU: pulling it all together (Braner), 2004;19:58 (Electronic Resources)
outcome prediction for critically ill cirrhotic patients: a comparison of APACHE II and Child-Pugh scoring systems (Ho et al), 2004;19:105 (Original Research)

Intrauterine growth restriction
current concepts in intrauterine growth restriction (Brodsky and Christou), 2004;19:307 (Analytic Review)

Life support
extracorporeal life support in pediatric and neonatal critical care: A review (Lequier), 2004;19:243 (Analytic Review)

Liver cirrhosis
outcome prediction for critically ill cirrhotic patients: a comparison of APACHE II and Child-Pugh scoring systems (Ho et al), 2004;19:105 (Original Research)

Low cardiac output syndrome
extracorporeal life support in pediatric and neonatal critical care: A review (Lequier), 2004;19:243 (Analytic Review)

Lung transplantation
critical care aspects of lung transplantation (Lau et al), 2004;19:83 (Analytic Review)

Mechanical ventilation
emergent bullectomy for acute respiratory failure in Ehlers-Danlos Syndrome (Safdar et al), 2004:19;349 (Case Report)
patterns on helium-oxygen (heliox) usage in the critical care environment (Berkenbosch et al), 2004:19;335 (Analytic Review)
protocol-driven ventilator management in children: Comparison to nonprotocol care (Restrepo et al), 2004;19:274 (Original research)

Membrane oxygenation
extracorporeal life support in pediatric and neonatal critical care: A review (Lequier), 2004;19:243 (Analytic Review)

Monitoring
pulse oximetry in children with congenital heart disease: effects of cardiopulmonary bypass and cyanosis (Torres et al), 2004;19:229 (Original Research)

Nerve agents
nerve agents: a comprehensive review (Wiener and Hoffman), 2004;19:22 (Analytic Review)

Nesiritide
is there a use for nesiritide in pediatric patient (Schamberger), 2004;19:171 (Editorial)
preliminary experience with nesiritide in the pediatric population (Marshall et al), 2004;19:164 (Case Report)

Neurotoxins
venomous snakebites worldwide with a focus on the Australia-Pacific region: Current management and controversies (Cheng and Currie), 2004:19:259 (Analytic review)

Outcomes
outcome rating scales for pediatric head injury (Haley et al), 2004;19:205 (Analytic Review)

Oxygen saturation
pulse oximetry in children with congenital heart disease: effects of cardiopulmonary bypass and cyanosis (Torres et al), 2004;19:229 (Original Research)

Oxygenation
pediatric acute hypoxemic respiratory failure: management of oxygenation (Prodhan and Noviski), 2004;19:140 (Analytic Review)

Pancreas transplantation
pancreatic transplantation: evaluation and management (Zaman et al), 2004;19:127 (Analytic Review)

Pediatrics
applications of bispectral index monitoring in the pediatric intensive care unit (Grindstaff and Tobias), 2004;19:111 (Original Research)
applications of bispectral index monitoring in the pediatric intensive care unit (Grindstaff and Tobias), 2004;19:111 (Original Research)
blood transfusion policy among European pediatric intensive care physicians (Nahum et al), 2004;19:38 (Original Research)
outcome rating scales for pediatric head injury (Haley et al), 2004;19:205 (Analytic Review)
pediatric acute hypoxemic respiratory failure: management of oxygenation (Prodhan and Noviski), 2004;19:140 (Analytic Review)
preliminary experience with nesiritide in the pediatric population (Marshall et al), 2004;19:164 (Case Report)

protocol-driven ventilator management in children: Comparison to nonprotocol care (Restrepo et al), 2004;19:274 (Original research)
pulse oximetry in children with congenital heart disease: effects of cardiopulmonary bypass and cyanosis (Torres et al), 2004;19:229 (Original Research)
recombinant factor VIIa to control excessive bleeding following surgery for congenital heart disease in pediatric patients (Tobias et al), 2004;19:270 (Original research)
tissue plasminogen activator as an adjuvant therapy for pleural empyema in pediatric patients (Ray et al), 2004;19:44 (Original Research)

Perioperative management
pancreatic transplantation: evaluation and management (Zaman et al), 2004;19:127 (Analytic Review)

Personal digital assistants
personal digital assistants in the intensive care unit (Tegtmeyer), 2004;19:174 (Electronic Resources)
personal digital assistants in the intensive care unit revisited: part II (Tegtmeyer) 2004;19:235 (Electronic Resources)

Poisoning
nerve agents: a comprehensive review (Wiener and Hoffman), 2004;19:22 (Analytic Review)

Postoperative complications
pancreatic transplantation: evaluation and management (Zaman et al), 2004;19:127 (Analytic Review)

Posttraumatic stress disorder
the occurrence of posttraumatic stress disorder in patients following intensive care treatment: A cross-sectional study in a random sample (Nickel et al), 2004;19:285 (Original research)

Pulmonary artery pseudoaneurysm
pulmonary artery rupture induced by a pulmonary artery catheter: A case report and review of the literature (Abreu et al), 2004;19:291 (Case report)

Recombinant factor VIIa
recombinant factor VIIa to control excessive bleeding following surgery for congenital heart disease in pediatric patients (Tobias et al), 2004;19:270 (Original research)

Recombinant human-activated protein C
drotrecogin alfa (activated) in an infant with gram-negative septic shock (Sajan et al), 2004;19:51 (Case Report)
recombinant human-activated protein C (rhAPC) in childhood sepsis (Frassica et al), 2004;19:56 (Editorial)

Red blood cells
blood transfusion policy among European pediatric intensive care physicians (Nahum et al), 2004;19:38 (Original Research)

Respiratory distress syndrome
extracorporeal life support in pediatric and neonatal critical care: A review (Lequier), 2004;19:243 (Analytic Review)
pediatric acute hypoxemic respiratory failure: management of oxygenation (Prodhan and Noviski), 2004;19:140 (Analytic Review)

Respiratory failure
acute respirator failure from abused substances (Wilson and Saukkonen), 2004;19:183 (Analytic Review)

Respiratory therapist
protocol-driven ventilator management in children: Comparison to nonprotocol care (Restrepo et al), 2004;19:274 (Original research)

Sedation
applications of bispectral index monitoring in the pediatric intensive care unit (Grindstaff and Tobias), 2004;19:111 (Original Research)

Sepsis shock
drotrecogin alfa (activated) in an infant with gram-negative septic shock (Sajan et al), 2004;19:51 (Case Report)

Snakebites
venomous snakebites worldwide with a focus on the Australia-Pacific region: Current management and controversies (Cheng and Currie), 2004:19:259 (Analytic review)

Status epilepticus
Creutzfeldt-Jakob disease presenting as refractory nonconvulsive status epilepticus (Shapiro et al), 2004;19:345 (Case Report)

Streptokinase
tissue plasminogen activator as an adjuvant therapy for pleural empyema in pediatric patients (Ray et al), 2004;19:44 (Original Research)

Surgical procedure
anesthesiologist's manual of surgical procedure (Alptekin) 2004;19:353 (Book Review)

Thoracotomy
emergent bullectomy for acute respiratory failure in Ehlers-Danlos Syndrome (Safdar et al), 2004:19:349 (Case Report)

Tissue plasminogen activator
tissue plasminogen activator as an adjuvant therapy for pleural empyema in pediatric patients (Ray et al), 2004;19:44 (Original Research)

TNF
serious infections associated with anticytokine therapies in the rheumatic diseases (Giles and Bathon), 2004;19:320 (Analytic review)

Transcatheter embolization
pulmonary artery rupture induced by a pulmonary artery catheter: A case report and review of the literature (Abreu et al), 2004;19:291 (Case report)

Transfusions
blood transfusion policy among European pediatric intensive care physicians (Nahum et al), 2004;19:38 (Original Research)

Uterus
uterine artery embolization for symptomatic myomata (Worthington-Kirsch and Siskin), 2004;19:13 (Analytic Review)

Vasopressin
vasopressin: applications in clinical practice (Dyke and Tobias), 2004;19:220 (Analytic Review)

X-ray
computed tomography evaluation of diverticulitis (Lawrimore and Rhea), 2004;19:194 (Analytic Review)
